ACL 03-30, DATED JULY 3, 2003, FORMER CalWORKS RECIPIENTS
WHOSE CHILDREN ARE TIMING OUT OF STAGE ONE CHILD CARE
[CW 2197 (7/03)]

Attached is the Timing Out Questionnaire – Stage One CalWORKs Child Care (CW 2197) for July 2003 through December 2005. Counties are asked to complete a CW 2197 in January and July of each year. This data helps estimate the funding necessary to serve former CalWORKs recipients in Stage Three child care after they have exhausted their 24 months of Stage One child care benefits.

Current regulations provide that former CalWORKs recipients must receive Stage One child care if child care services are not available in Stage Two or Stage Three. However, former recipients cannot remain in Stage One beyond 24 months of eligibility after leaving cash assistance.

The California Department of Social Services (CDSS) must determine the number of children who have or who will “time out” of Stage One child care during each month from July 2003 through December 2005.

Page Two

The county is to complete the questionnaire with actual and projected information on the number of children and families receiving Stage One child care who have reached or who will reach the end of the 24-month limit of child care services for which former CalWORKs recipients are eligible. This data must be reported separately by one-parent and two-parent families.

Note: The data being collected in this questionnaire are **only** for families and children of *former* recipients of CalWORKs cash assistance who will continue to receive their child care services through Stage One.

GENERAL INSTRUCTIONS CONTINUED

- This report only collects the number of enrolled Stage One children and families no longer on CalWORKs cash aid that have or will exhaust their 24 months of eligibility. The 24 month “timing out” period does not involve the number of payments made per family and child.
- When a Stage One family and its child(ren) are no longer on CalWORKs cash aid, the 24 month time limit begins on the first day of the month immediately following the month the adult is no longer receiving CalWORKs cash aid. The data reported in each data cell is considered the 24th month when the families and children have “timed out” or will “time out” of Stage One child care.
- ACTUAL “timed out” counts are the first six months indicated on the report and are only the children and families who have actually “timed out” of Stage One child care.
- PROJECTED “timed out” counts are the last 24 months of the report and are the children and families taken from the indicated Stage One child care Caseload Total who are off CalWORKs cash aid and have been projected to “time out” within the indicated 24 month time period.
- If NO Stage One children or families have “timed out” or will “time-out” during an indicated month, enter zero where appropriate. NOTE: If the county reports all zeros on the CW 2197, county should provide a footnote in the Comments section that confirms the county has no Stage One children and families off cash aid.
- DO NOT report Stage One children and families who are off CalWORKs cash aid and that have transferred to Stage Two child care before “timing out”.
- The data reported on the CW 2197 is not identical to the Child Care Monthly Reports (CW 115/A).
- If necessary, use the Comments section to explain your estimates.
- Please include Stage One children and families no longer on CalWORKs cash aid on December 31, 2003, regardless of the reason they remain in Stage One.

ITEM INSTRUCTIONS

Stage One December 2003 Caseload/TOTAL: Enter the ACTUAL number of children and families no longer receiving CalWORKs cash aid, currently receiving CalWORKs Stage One Child Care on December 31, 2003, who will be “timing out” from January 2004 - December 2005. [Cells 1 – 4]

July - December 2003: Enter the ACTUAL number of children and families no longer receiving CalWORKs cash aid that did “time out” of the Stage One child care caseload during the indicated month. [Cells 5 – 28]

January 2004 - December 2005: Enter the PROJECTED number of children and families no longer receiving CalWORKs cash aid that were in Stage One child care on December 31, 2003 [see Cells 1 – 4], that will “time out” during the indicated month. Base this projection on a count of months. DO NOT modify projections for expected attrition. [Cells 29 – 124]
